

The Summit Lighthouse® and Church Universal and Triumphant®

Summer, 2004

Dear Friend of Light,

Thank you for expressing an interest in the Holy Orders of The Summit Lighthouse and Church Universal and Triumphant. Your participation is key to the success of this exciting, far-reaching opportunity.

The intent of the Holy Orders is to bring members together through particular paths of service in order to mutually reinforce one another and reach out to outer communities. The Orders are organized on an international level, designed to form strategic alliances with like-minded individuals, groups, and charities.

Becoming part of an Order gives you an extraordinary opportunity to support the cause of the Ascended Masters. As above, so below, these Orders are a reflection of their etheric counterparts in the Masters' retreats. In uniting with brothers and sisters of light on inner levels and with those on this physical plane, you form an antahkarana—a spiritual network of light—to hold the balance for your city and nation as well as for our organization and planet.

The Order of the Golden Lily is sponsored by the Goddess of Liberty and is open to all members of the Keepers of the Flame Fraternity who desire to work towards qualifying themselves to be a candidate for the ascension. Members of this Order, or those who chose the Probationary Status, attend a weekly Friday night Ascension Service and are dedicated to assisting souls to make their transition at the time of death. They also take part in weekly clearance work to remove discarnate entities from the planetary body.

Enclosed is further information for your review and study: Order of the Golden Lily Profile and Guidelines.

Let us join together in making the Holy Orders a chalice for love in action. Let us honor Mother by embracing and realizing her vision of this worldwide network of interactive communities. Let us bring into the here and now the spiritual antahkarana of Church Universal & Triumphant as a dynamic, vibrant, and “oh so powerful” means of healing our world and ourselves. We welcome your participation and creative input!

TEACHINGS OF THE ASCENDED MASTERS:

Established by the Goddess of Liberty, spokesman for the Karmic Board, on July 7, 1963. She placed the symbol of the golden lily as the "insignia of divine service" and the "inner symbol of Saint Germain's fleur-de-lis" over the heart of those who would help her "lift the torch for mankind" both in and out of embodiment. Those initiated into this holy order have the opportunity and responsibility to invoke the intercession of the hosts of the LORD for the illumination and cutting free of souls of light trapped on the astral plane—especially those passing through the transition called death—that they might be safely escorted to the octaves of light and the retreats of the Great White Brotherhood.

Mother Mary, *Pearls of Wisdom*, vol. 27, no. 2, n.5, January 8, 1984.

[The Order of the Golden Lily] is the fraternity who spends its energies to create assistance to souls that are departing this world, to help and assist them in their journey across the River Styx, the river of darkness.

Mark L. Prophet, lecture, November 4, 1973.

I would direct your attention to the fact that in this hour many pass from the screen of life in war or through famine and disease. Your Friday night service, the Order of the Golden Lily, under the Goddess of Liberty and dedicated to the ascension, was also instigated at the request of the Lords of Karma because of the great necessity for the weekly clearance of the planetary body of discarnates—those who pass from the screen of life whose astral sheath and lower bodies are yet earthbound.

Zarathustra, *Pearls of Wisdom*, vol. 28, no.17, April 28, 1985.
(Dictation includes specification of calls to be given.)
