THE ORDER OF THE DIAMOND HEART GUIDELINES

WHAT IS THE DIAMOND HEART?

The “Diamond Heart” is defined in the glossary of *Saint Germain on Alchemy*:

A concentration of the sacred fires of the will of God which coalesce as a diamond matrix in the hearts of devotees of God’s will, his divine plan and his inner (etheric) blueprint for all life. Hence, a term used to describe the heart of the Ascended Masters, angel devas, and chelas who embody the will of God; often associated with Mary the Mother of Jesus and El Morya. The diamond heart of God possesses the quality of the diamond, its hardness resisting every sinister strategy of the anti-Self and the anti-Will, at the same time reflecting the brilliance of Love/Wisdom throughout the creation – magnifying and projecting the prismatic virtues and charismatic powers of the Holy Spirit embodied by the ascended and unascended sons and daughters of God.

Saint Germain on Alchemy: For the Adept in the Aquarian Age, pp. 391-392

The Diamond Heart is Christ’s own heart of the will of God. Nothing can withstand it, for its Light intensity is greater than all Darkness of the dark ones in the earth. It consists of all those who give their life to the will of God. It is the means whereby all people of goodwill upon earth might see and recognize that the Christ attainment is truly that open door of the hour.

WHAT IS THE ORDER’S PURPOSE?

- The Order of the Diamond Heart is dedicated to the giving of one’s heart to form the Sacred Heart of Jesus. Whereas one individual may not be able to bear that Sacred Heart alone, many who pledge to bear it may become components of the one great heart of our Lord. It is the same principle of the Body of God upon earth, many members but one Body. Thus, many hearts also form the one Diamond Heart.

To fashion a Diamond Heart of God’s holy will through the Christ whereby not one, not a few, but the many (as God does use the term “many”) shall identify, by the blessed teaching of the Law of the One, with this One – with this One that is the I AM THAT I AM.

WHO SHOULD JOIN?

In this hour two thousand years hence all disciples of Jesus Christ upon earth are called to be a portion of that Diamond Heart.

- The calling of those who enter the Order of the Diamond Heart is to espouse the will of God and to set aside those goals which come after that central purpose of life.
- To be a part of this Order, one must know and give one's self in the mystery of surrender to the will of God. The giving of one's Christhood and the giving of that momentum of the Alpha, the Omega is such a sustaining grace and light in the hearts of the saints as to perpetuate entire civilizations by the sacrifice of the one or the few.

BACKGROUND INFORMATION ON THE ORDER OF THE DIAMOND HEART

The first recorded mention of the Diamond Heart and its establishment was by Mother Mary in a dictation in 1958.

Let the Christ in you magnetize those individuals, those loving and willing and worthy and capable chelas whom you require and, more importantly, that the Ascended Masters El Morya and Saint Germain require to create a planetary Diamond Heart of spiritual freedom. Yes, though we cover this planet round, though we bring angels into the atmosphere of earth, a Diamond Heart which is the center of the spiritual foundation which is to be the predominant focus for the next two thousand years shall be sustained, for I, Mary, established the beginning of it.

Mother Mary, 8-15-58, quoted in PoW Vol. 30 No. 23, n.9

In 1960, Kuthumi mentioned the Order of the Diamond Heart in the *Corona Class Lessons*.

The Darjeeling Council is sponsoring the activity of The Summit Lighthouse to be a great clearinghouse of light, a haven of refuge in future days for all who love the Christ Light and are able to see the need for such a central agency holding within its framework the dedicated services and purity of the Order of the Diamond Heart. You see, a heart is universally needed as a focus through which to channel energy to any body or group effort. This is true from the Great Central Sun down to the centrosome of a cell or the nucleus of an atom.

Therefore, you will understand why the light rays of this diamond heart of planetary dimensions are to be under the direction of the blessed

Mother Mary and the Chohan of the First Ray, El Morya, whose purpose it is to bring about as speedily as possible the edicts of those angels who under divine guidance long ago chorused, 'Glory to God in the highest, and on earth peace, good will toward men.'

Those who understand the need for an organization to serve as a framework or structure through which the Ascended Masters and their chelas can function, those who can also understand that some organizations once under our guidance have suffered from the hardening of their spiritual arteries and are no longer entirely useful to us, will then lovingly and joyously give their obedience to the Light and will offer themselves to be the backbone, the heart, and the radiance of our purpose to externalize the Christ Light and to teach all peoples how to do likewise—especially those who seek and want the whole Truth. Thus, our diamond heart will be God-chosen and it shall manifest to the benefit of all.

Kuthumi, PoW Vol. 3, No. 49, December 2, 1960

In 1987, Mother Mary asked for the reactivation of this Order.

I am therefore unto you a representative of the Divine Mother and of the path of the Diamond Heart. This path of the Divine Mother as the path of the Diamond Heart has been espoused by the beloved El Morya. El Morya does teach this path of devotion to the will of God by that Diamond Heart to each and every one of his chelas. Therefore you who have been in his retreat in the etheric octave in Darjeeling have heard much about this.

I come to tell you in this hour of this year's Christ Mass and the celebration of the birth of my Son that El Morya does call you and call you again to be a part of his order in which I join him, the Order of the Diamond Heart. This order, beloved, is dedicated to the giving of one's heart to form the Sacred Heart of Jesus. Whereas one individual may not be able to bear that Sacred Heart alone, many who pledge to bear it may become components of the one great heart of our Lord. It is the same principle of the Body of God upon earth, many members but one Body. Thus, many hearts also form one Diamond Heart.

This Diamond Heart is Christ's own heart of the will of God. Nothing can withstand it, for its Light intensity is greater than all Darkness of the dark ones in the earth.

Blessed ones, through the ages the saints have been called to give their lives for the saving of the Church or the nation or the community or the planet. This my Son also did, but the giving of his life was in living and not in dying, and the shedding of his Blood was not in dying but in living. For the immortal Light that does flow from his heart is a stream that never ends but does fill every communion cup on earth.

Understand this principle, beloved, that in this hour two thousand years hence all disciples of Jesus Christ upon earth are called to be a portion of that Diamond Heart. Mother Mary. PoW Vol. 30, No. 83, December 25, 1987

Pledge of the Devotee of the Diamond Heart

Behold, I AM everywhere in the consciousness of God! Therefore, in giving my life I cannot lose it, for he has found me and taken me all to his heart.

I AM one with Jesus, his disciple of the Sacred Heart. And I AM, I AM, I AM giving my portion to form the Diamond Heart of Mary and Morya as the worldwide sign to every foe, every foreigner and enemy of Christ:

Thus far and no farther!

The Diamond Heart of the sons and daughters of Light shall prevail in the name of our Lord and Saviour Jesus Christ!

It is done and we accept it done this hour in full power. For God in us is the doer and it is done.

Beloved Jesus, my brother, my Master, I will follow in the footsteps of the saints of the Diamond Heart. I will give the just portion of my life that not one, neither the Messenger, neither a Keeper of the Flame, need be plucked of thee from God's garden on earth. I seal this, Jesus, with a gift of my heart, thy heart one.

Behold, my Lord, I AM with thee everywhere in the consciousness of God. And by that reality, my Lord, I know there is no death, there is no grave, there is no hell, for the Life triumphant has swallowed up the death of defeat.

It is done. We are one, nevermore to go out into the shackles and limitations of time and space.

Jesus, thou art my all. I AM thy all, and I do enter thy heart as thy bride, thy servant and disciple, thy friend.

O Lord, take me where thou wouldst have me into the highest heaven and into the depths of Hades. O Lord, let me serve thee wherever thou art and one of these thy little ones is gone out of the way.

In the name of the Way, the Truth and the Life, Jesus, I AM thine own forever through my daily step-by-step service in the Order of the Diamond Heart.
